

The Hong Kong University of Science and Technology

School of Science

SCI/NUCLEUS Social Service Team

A.) Program Overview

- A social service team exclusively for the HKUST School of Science Alumni, Students and Staff
- Student-driven team with 8-10 Student Social Leaders
- Serve our community through regular service activities
- Form a powerful network of all passionate Science volunteers
- Raise participants' awareness on current affairs and polish their soft skills

B.) Program Structure

- **Services coordinated by the School of Science**
 - The School of Science has been actively cooperating with various charities to organize voluntary services for members to participate.
 - Service hours will be recorded upon completion of individual event.
- **Services committed in external parties**
 - As an appreciation and encouragement, the School of Science will endorse community services committed in any government-registered charities or non-profit making organizations.
 - Members have to submit an endorsement form along with supporting documents within one month after completion of service.

- Service hours will also be recorded upon verification.

- **Social Leaders**

- Current students who demonstrate strong leadership skills and sense of responsibility may apply for the position of Social Leaders, effective for one academic year.
- Social Leaders will prepare the year plan of activities.
- Social Leaders will take initiative in bonding with external organizations, securing more opportunities to our members and motivating them.
- Outstanding members and leaders will receive a certificate issued by the School of Science as a recognition of their contribution to the society

* All HKUST Science Alumni, Student and Staff are welcome to join. Yet, your membership will only be activated when you have participated in at least one voluntary service coordinated or endorsed by the School of Science.
