# STUDY ABROAD & EXCHANGE

**Come to the University of Southampton and experience social, educational and cultural life in the UK as part of our study abroad and exchange programme**

### **Accommodation in Southampton**

Whether you are keen to live in the city or you would prefer to live close to campus, there are many options available to you during your stay.

### **Life in Southampton**

University life is about more than just studying. It's about people, new experiences and expanding your social life. We have over 300 clubs and societies available to join, and our Student's Union host a wide range of events, so there are plenty of opportunities for you to get involved!
