<b>Accommodation</b>		
Campus	<b>UBC Vancouver:</b> <a href="http://www.housing.ubc.ca">www.housing.ubc.ca</a>	<b>UBC Okanagan:</b> <a href="http://okanagan.housing.ubc.ca/">http://okanagan.housing.ubc.ca/</a>
On-campus Housing	Limited number of rooms is reserved for exchange students. Due to high demand, on-campus housing for Term 1 exchange is not guaranteed; in fact, <b>about 53% of Term 1 only exchange students will receive on-campus housing.</b> This includes Split Year students. We recommend that <b>Engineering CIE Term 1 only exchange students</b> look for off-campus housing because of the low chance of getting into a UBC residence.	Currently, the housing office in the Okanagan will prioritize all exchange applicants if they apply by the deadline. Term 2 students will be able to apply for housing in the fall semester.
Apply to Residence	As soon as students receive their UBC ID number, nominated students should submit a housing application online at <a href="https://secure.housing.ubc.ca/">https://secure.housing.ubc.ca/</a> . <b>There is a \$50 non-refundable application fee.</b>	

Housing Placement	<p>For <b>Term 1 only students</b>, priority is given to:</p> <ul style="list-style-type: none"> <li>• Students from partner schools that evenly distribute Term 1 and Term 2 nomination spots;</li> <li>• Students whose nomination is submitted during the regular nomination periods.</li> </ul> <p><b>Full year and Term 2 students</b> have priority access.</p> <p>All residence offers are sent by email from Vancouver housing office and include an expiry date to respond and pay a deposit.</p>	All residence offers are sent by email from Okanagan housing office and include an expiry date to respond and pay a deposit.
<b>Immigration Requirements</b>		
Temporary Resident Visa (TRV) or Electronic Travel Authorization (eTA)	<p><b>International students who will study at UBC for less than 6 months will need to apply for a Temporary Resident Visa (TRV, “entry visa” or “visitor visa”) or Electronic Travel Authorization (eTA) in order to ENTER Canada.</b> To find out if you are required for a TRV or eTA, please check <a href="http://www.cic.gc.ca/english/visit/visas.asp">http://www.cic.gc.ca/english/visit/visas.asp</a> or contact the nearest Canadian visa office.</p> <p>Additional information and tutorials can be found at: <a href="http://students.ubc.ca/international">http://students.ubc.ca/international</a></p>	
Study Permit	<p>A study permit is required for international students who will study at UBC for more than 6 months. Single-term students need to obtain a study permit if they intend to work on campus, want to extend their study to full-year or plan to enter Canada early (more than one month before school starts). If students arrive too early without study permit, their extension request for the period of authorized stay in Canada may not be approved by immigration officers.</p> <p>If you apply for a study permit, you do not need to apply for a TRV or eTA because it will be issued to you when your study permit application is approved.</p> <p><b>International Student Guide – <a href="#">How to apply for initial Study Permit.</a></b></p>
